Overview

RAAJRATNA FOUNDATION was established in **2019** by **Mr . Naresh Sanghvi** and **Mr . Ashwin Shah**.

The Raajratna Foundation was born with a vision to enhance the welfare of society through comprehensive charitable initiatives. Our foundation focuses on diverse areas including health, education, environmental sustainability and social empowerment aiming to create a positive and lasting impact on communities in need.

“Every contribution we make goes beyond numbers—it touches lives, restores hope, and builds a future filled with dignity and opportunity. Through our collective efforts, we are not only supporting communities but nurturing a more compassionate, sustainable world for generations to come.”

“Raajratna Foundation’s CSR initiatives not only create immediate social impact but also strengthen the organization’s ESG positioning by contributing to environmental sustainability, inclusive social development, and transparent governance practices—aligning with global sustainability expectations.”

“As we move forward, our commitment remains unwavering—to create deeper impact, reach more lives, and build a legacy of responsible growth. Together, we will continue turning compassion into action, ensuring that every step we take contributes to a more inclusive, sustainable, and humane world.”

SUPPORTING COMMUNITIES,
